

General

Type	Signal relay
Technology	Bistable
Design	2x changeover contact

Interfaces

Connection	PCB mounting
Contacts	Ag-AuAG8/AgPd60

Specials

Specification	Wash-proof, RT III, IP67
---------------	--------------------------

Electrical values

Switching voltage	250 V AC / 220 V DC
Switching capacity	125 VA
Voltage DC	12 V=
Internal resistance (Ri)	960 Ohm
Nominal current	1 (125 V AC), 2 (30 V AC) A
max. switching current	2 A
Power input (operation)	0.2 W
Test voltage	1500 V
Approval	UL

Measures

Length	20.2 mm
Width	10.2 mm
Height	10.6 mm
